BYE-BYE BITES

Forget citronella candles and tiki torches, a custom-designed automated mosquito misting system from SWAT Mosquito Systems is the way to truly end the annoyance of mosquitos and no-see-ums. It also works on flies, spiders, gnats and other outdoor insects. Plus, it's backed by an unmatched mosquito-control guarantee. So don't let flying bugs ruin your next outdoor party or kid's playdate. Commercial systems are available for restaurant patios and more; 954.437.1815; SWATMosquitoSystems.com. *May/2015*

BYE-BYE MOSQUITOS

Mosquitos and no-see-ums are a fact of life in South Florida, but they don't have to be an ongoing frustration. The solution is a SWAT Mosquito Systems custom misting system. They have done more installations in South Florida than any other company and are known for their excellent customer service; 954.437.1815; SWATMosquitoSystems.com.
